- The applying pilot must be a USHPA member in good standing.
- If the flight is tandem, only the pilot in command may apply for an award.
- Only one award per flight.
- Flights must not violate Part 103.
- A sporting license is not required for the badge unless flight is in conjunction with attempting a world/national record.
- Flights may be made on Class I, II, or III hang gliders.
- Flights may be made as straight line, triangle, or out and return.
- Awards will be made in levels of 50, 100, 150, 200, 250, and 300 miles. Flights do not have to be applied for in consecutive order.
- Only flights made after April 1st, 1993 will qualify for the awards.
- If towing is used, the launch point is considered to be the location at which the tow line is released.
- "Official witness" applies to anyone who actually witnesses the launch, landing, or turnpoint. Turnpoint witnesses may be on the ground or in the air. Photo verification of turnpoints is acceptable and, if used, must be enclosed with the application.
- Barographs can be used, but are not necessary.
- Documentation must include a completed USHPA X-C Flight Award Application.
- Badges shall be issued by the USHPA office, which shall keep a record of pilots' names, dates and completion of badge flights.
- The fee is \$10.00 per award.
